

# ABOUT US

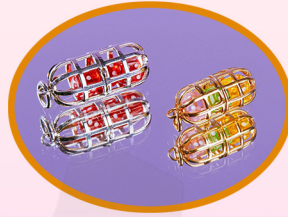

Lisa Maita and Kelli Mercado-Waldron are sisterfriends who met in Philly.

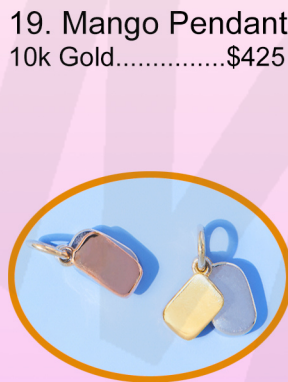

Lisa has worked on historic Jewelers Row for over a decade as an engraver and fine jeweler, and Kelli has worked in fashion and retail worlds for the same time.

Sisterfriend Jewelry was born out of our shared Asian culture and love for playful minis. We wanted to see ourselves in their designs, to keep things cute and kawaii in fine jewelry :) The Sisterfriend line is designed and made by hand in Philadelphia, PA.
